What is Arlington Neighborhood Village?

ANV volunteers provide the extra help that an older adult needs to age safely and independently in their own home while remaining connected to the community.

We Are :

- a community of neighbors helping neighbors age-in-place in Arlington
- helping with errands, transportation, small household tasks, daily check-in calls, and more

“Beloved friends, **your volunteer is an absolute miracle worker!** He took a heap of broken pieces of scratched wood and returned a silver chest even more richly gorgeous than it was when purchased by Great-Grandmother in 1956. **I was broken-hearted, and now I am rejoicing.** That is a miracle.”

“How fortunate I was that my therapist suggested I contact you! **Your organization is full of fantastic people – so wonderful.** Peace and blessings.”

“In other words, they are **a life saving organization,** accommodating my needs. I'm so thankful for Arlington Neighbor Village and their dedicated volunteers.”

“The ANV ride provided today to and from Fort Myer Rader Clinic was **absolutely on time and delightful**—enabling me to get prescribed lab work done and pick up medications. Many thanks.”

“I want to extend my **heartfelt appreciation for your assistance, so many times, this past year.** All the drivers are prompt, friendly, and quite capable.”

“Thank you so much for everything you and your volunteers do! Including the birthday card and the Thanksgiving dinner! **Your help throughout the past year has been wonderful.** God bless you all!”
