

RESOLUTION CONCERNING SPEED LIMITS ON NORTH CARLIN SPRINGS ROAD

Noting that speed limits on many segments of North Carlin Springs road were reduced from 30 to 25 mph, but that the speed limit between North George Mason and Route 50 was left at 30 mph, and

Noting that the segment of N. Carlin Springs road goes through a residential neighborhood, with the sidewalks in this area are utilized by students going to Kenmore Middle School.

BCA asks that the section of North Carlin Springs Road between Route 50 and North George Mason be reduced to 25 mph.
